HIS PETITION TO INCLUDE ONLY EXHAUSTED
CLAIMS

The petition, pro-se Edward Tavares Jr. moves this court, to request that the (petitioner) pro-se Edward Tavares jr. to amend his habeas corpus petition to include only those claims which are exhausted. As explained more fully in the accompanying memorandum of law, also because the respondent has filed a motion for a court order to petitioner to amend petition to include only exhausted claims, filed on November 10/2004. The respondent will not be prejudice if the court allows, or grant the petitioner motion to amend.

Further, response only requesting that petitioner amend his petition, and the court not to dismiss.

Petitioner prays this court, that he be allowed his amended petition, so he may proceed with his habeas corpus petition, wherefore those exhausted claims which the petitioner filed timely. I direct this court attention to attached affidavit and memorandum in support.
